Spring, 2024

Dear Friend:

On behalf of the Wyomissing Public Library Board of Trustees, I am writing to ask for your help in providing the programs and services that make our Library a great community resource.

The library has been a focal point of our community since it opened its doors at 9 Reading Boulevard in 1931. In addition to circulating books, magazines, audio books, CDs and DVDs, we also offer:

- Weekly storytimes for pre-schoolers with their parents or guardians.
- Public access computers and printers for individuals to do homework, take an employment test, update a resume, write a term paper or check email.
- Hoopla and Libby digital services, offering online and mobile access to eBooks, audiobooks, comics, music, movies and TV.
- Our annual Summer Reading Program for elementary and high school students, designed to combat the “Summer Slide”.
- Programs for adults including local author visits, yoga, chess club, book clubs, movie screenings, the Great Decisions series and other topical discussions.

Your support will make it possible for us to continue to provide our literacy and lifelong learning services to more than 60,000 people from all over Berks County.

As a sponsor you would be recognized on our website and in our lobby, on our social media platforms, at all of our events, and in the print calendar available at our front desk. You would also be recognized in our email blasts.

Your contribution will help ensure our continuing success. Please complete the attached form to indicate your sponsorship level.

If you would like to sponsor a particular program or event, please don't hesitate to contact our Director, Colleen Stamm, at colleen@wyopublic.org or by phone at 610-374-2385.

Thank you for your consideration!

Sincerely,

David Walker
President
